2037 Rivers Own Road
St Augustine, FL 32092

Objective I am seeking an internship to strengthen my computer and software engineering skills so that I will be a better-prepared professional upon graduating.

Related Interests	I am a member of WECE (Women in Electrical and Computer Engineering) and we hold many community outreach events that target children in hopes to interest them in science and technology.
-------------------	---

Education	University of Florida	07/2013-12/2017
-----------	-----------------------	-----------------

- Major – Software/Computer Engineering
- 3.56 GPA
